

Equipment Move-in Information

Convention Center Rules on Equipment

Vehicles

- The show's security provider must conduct a mandatory vehicle inspection of each vehicle, prior to their entry into the exhibit hall.
- All fuel tank openings shall be locked and sealed to prevent escape of vapors. Fuel tanks may not contain more than one half capacity or ten (10) gallons of fuel whichever is less.
- At least one battery cable must be removed from the battery used to start the vehicle engine. The disconnected battery cable must be taped.
- Battery charging is not permitted in the exhibit hall, at any time.
- Converters may not be used in lieu of a battery to power the ignition source.
- Batteries used to power auxiliary equipment are permitted to be kept in service.
- Fueling or de-fueling of vehicles is prohibited.
- Vehicles may not be moved during show hours, unless the OCFR Fire Marshal approves the movement in advance and a Fire Watch is in place.
- Motor Homes, boats, and similar exhibited products with over 100 sq. ft. of covered area must be protected with a listed smoke alarm.

Welding

- Welding and/or cutting equipment is prohibited in the OCCC except as part of an exhibit and must be approved by the Orange County Convention Center.
