

UNION JURISDICTION RULES

Since Work Rules and Union Jurisdictions vary from city to city, we apprise you of the following statements to help you in understanding the Union Requirements.

Decorator & Carpenter Jurisdiction

It is necessary for all exhibitors to use qualified union personnel for the installation and dismantling of prefabricated exhibits and displays and to install and remove draperies and floor covering. The handling, placing or setting out of merchandise that is to be displayed does not require union labor and may be done by the exhibitor. In addition, the installation or dismantling of an exhibit which does not require the use of hand tools, or more than one person, and can be accomplished within thirty minutes, may be performed by the owner or company representative for booths up to 10' X 30' in area. Your labor requirements can be ordered on the enclosed Exhibit Labor Order Form.

Teamster Jurisdiction

Our Material Handling Department is responsible for maintaining in and out traffic schedules at the Show site. Even local exhibitors should clear all movements of exhibit materials through this department as we will have priority at the unloading area at all times. Union jurisdiction allows individually hand carried items only. Material Handling Services may be ordered in advance by completing and returning the enclosed Shipping Information and Service Order Form. Paramount Convention Services will handle all incoming show freight regardless of the material handling form being submitted, advance or show site delivery and regardless of if freight is designated as in care of Paramount or not; and the exhibitor will be liable for all appropriate charges as described on the material handling form, as well as all storage fees, if any charged by the facility for items delivered and accepted prior to scheduled move in date

Thank you!

FIRE PREVENTION BUREAU

EXHIBIT HALL FIRE REGULATIONS

The information contained in this brief outline does not completely cover the ordinances and regulations. The following are basic rules governing concessions, exhibits and shows in any building open to the public.

1. All curtains, drapes and decorations must be constructed of flame proofing solution. (Treatment shall be renewed as often as may be necessary to maintain the flame proofing effect.)
2. No combustible materials, merchandise or signs shall be attached to, hung from, or draped over flameproof side and rear divider draperies of booths, or attached to table skirting facing aisles unless flame proofed.
3. All exits, hallways and aisles leading from buildings or tents are to be kept clear and unobstructed at all times.
4. No exit door shall be locked, bolted or otherwise fastened or obstructed at any time an exhibit building is open to the public.
5. All sawdust, shavings, hay and straw shall be stored and maintained in a manner approved by the Fire Marshal.
6. Automobiles, trucks, tractors, machinery and other motor vehicles utilizing flammable fuels, which are placed on display inside any building, shall have **no more than two (2) gallons of fuel in the tank**; all fuel tanks shall be locked or effectively sealed and **battery cables shall be disconnected from the ignition system**. The battery can not be connected during the show for any reason. Ignition keys for vehicles on display shall be kept by a responsible person at the display location for removal of such vehicles from the building in event of emergency. Keys must be left overnight with security. **You must notify Paramount Convention Services of plans to bring in any vehicle so that appropriate arrangements can be made with the local Fire Marshal.**
7. The use of liquefied petroleum gases inside buildings, tents or areas is strictly prohibited, except for demonstration when approved by the Fire Marshal.
8. "No smoking by Order of Fire Marshal" signs shall be posted and maintained in areas designated by the Fire Marshal.
9. The exhibitor will provide for daily removal and disposal of trash and rubbish from buildings and tents.
10. All electrical wiring shall be installed in a manner approved by the City's Chief Electrical Inspector.
